it's about what's next.®

Silicon Catalyst is the only
incubator + accelerator focused on
Semiconductor Solutions

including Photonics, IP, MEMS, Sensors, Materials
and Life Science

Fast Facts

Established 2015 in Silicon Valley

Portfolio companies are worth > \$1.5B

Silicon Catalyst Israel and UK, advisors worldwide

Screened over 900 early-stage semiconductor companies

Admitted 97 Companies globally into the 24-month incubation program

5G, AI / ML, UWB, IP, Comms infrastructure, Photonics, IoT, Power, Medical, MEMS & Sensing

> \$500M in venture investment, >\$150M in In-Kind goods and services, >\$100M in government grants

Expanding Ecosystem Centered on Startups

CHIPS Act 2022

- PCAST Semi Group
- MITRE Engenuity
- ASIC (Steering & Fund)
- DoC Industry Adv. Comm.

International

Israel & UK Teams
Advisors worldwide

30+ Universities

Industry Partners

Accelerators

Good for Startups, Partners, Investors, Advisors ... the industry

EDA

IP

Services

Foundry

Back-end

Business

In-Kind Partners

¹ Low Volume; ² High Volume Yield Improvement; ³ Israel Only

“Startups Contest”

Applications at www.sicatalyst.com

The screenshot shows an EE Times article titled "Silicon Startups Contest Offers Arm IP Credit, Ecosystem Exposure" by Nitin Dahad, dated 05.11.2023. The article mentions a \$150,000 prize and exposure to Arm's ecosystem. It also features a "Download The Free Guide" button and a podcast player for "Security for SoC Interfaces Takes Center Stage in Data Protection". A photo of Sean Redmond is included at the bottom.

<https://www.eetimes.com/silicon-startups-contest-offers-arm-ip-credit-market-exposure/>

Top winner will receive:

- \$150,000 Arm Technology Credit towards an Arm Flexible Access commercial tape-out

Winner and two runners-up will receive:

- A free Arm Design Check-in
- Ticket to Arm's invite-only ecosystem event for networking and chance to be featured
- A free Pitch review by Silicon Catalyst Angels
- Includes free prototype tape-out, offered as a standard part of the Arm Flexible Access for Startups program

Application deadline is June 23, 2023
